EDUCATION

Bachelor of Science (Computer Science Major)   **Mar 2021 - Jan 2024**
The University of Melbourne

SKILLS

- Languages: Python, C, C#, Java, SQL, Haskell
- Web Development: HTML, CSS, JavaScript, React JS, SCSS
- Tools: Git, Figma, Unity, Photoshop, After Effects, Word, Excel
- Personal Traits: Collaboration, Communication, Problem Solving, Active Learning

PROJECT WORK

TextDNA | Student Authorship Identifier   **Jul 2023 - Nov 2023**
Full-Stack Web Development | React JS, SCSS, NodeJS, Flask, SQL, Azure DB, Figma
- Developed a responsive React and SCSS front-end for a web interface that helps academics verify authenticity of student submissions
- Utilized Flask, PowerShell, and SQL for dynamic data management
- Implemented user authentication system with bcrypt library for enhanced security
- Worked in an Agile and SCRUM environment, ensuring project success

Lunala and the Celestial Tower | 2.5D Hack & Slash Game   **Jul 2023 - Nov 2023**
Game Development | Unity, C#, HLSL
- Led a team of four in designing and developing a 2.5D Hack & Slash game in Unity
- Developed core gameplay features, including player movement, combat mechanics, upgrade systems, user interface, graphics, audio systems, and enemy AI
- Created design documents of game features and concepts
- Conducted user testing, refined gameplay and raised player satisfaction

LastBite | Online Food Marketplace   **May 2023**
Full-Stack Development | React, TypeScript, SCSS, Supabase, Figma
- Designed and implemented UI/UX, enhancing user engagement
- Collaborated with team members to define project requirements and refine project concept
- Won 2nd Place at the 2023 Melbourne Hack Hackathon

EXPERIENCE

IT Equipment Installer   **Mar 2022 - Mar 2024**
METACOM, Australia
- Collaborated with team members to provide on-site IT equipment installation and set-up services to various offices
- Managed configuration of 100+ office setups, ensuring seamless functionality
- Established clear communication within a team of 2-8 individuals, ensuring team alignment
